

EACF 2025 President's New Year remark.

We want to thank God, for His many blessings on every family represented in EACF.

As an Association, even though it doesn't feel like it, we have a lot to be thankful for in 2024. By His grace we did not record the loss of any member,

Although one of us experienced the loss of a child last year and some of us experienced the loss of some close family members, we thank God for the grace to go through those difficult times.

The main objective of this Organization is to build a bond of unity and love first amongst us then also to collaboratively take care of our people back at home.

At this point, I would like to thank members for your generosity in paying your monthly dues that have helped the association to achieve its planned programs. Also, I would like to recognize the great work done by all in our "end of year Christmas Party" Our Women, you made this event to be looked forward to yearly because of those Scrumptious "Esan Soups" Many heads are still ringing in the Nigerian community in Florida because of you, Thank You.

To my brothers, your donations and sacrifice made a difference for a wonderful evening. Thank you for always rising to the occasion when called upon, you're appreciated.

In 2024, we did not record any projects however, we took that year to review our past projects with a view to see what we can do differently to make our effort to be more productive and yet efficient.

To this effect, we decided to embark on a universal project that will have multiple impact on several fronts.

We decided to invest in "scholarship Program".

Since that vote, we instituted couple of "Pilot Committee"

1. Scholarships committee
2. Fund Raiser committee

Which have been working tirelessly to design products that we all will be proud of.

The Exco understands that we will envision the direction of these projects, guarantee the benefits to the intended benefactors. So, I thank every member of all the committees and want you to know, you're in the annals of history as "the people who gave so others can have."

We look forward to this project taking its first benefactors in 2025.

To this effect, Exco wants to thank all our dues-paying members once again, it is with your commitment we are able to achieve all that we were able to and we trust your continued support in 2025.

Thank you.

Mathew Ughulu, President EACF

Esan Oyee.
